

Little Oak/Boyet Science Fair 2018-2019 News

When: Friday November 30, 2018

students will be judged during the school day, awards ceremony 6-8pm.

Where: Little Oak Middle Gym

Who: Little Oak and Boyet students

Traditional Awards: Best-in-Show; 1st-3rd places, honorable mention, judges awards

Special Awards: awards sponsored by local companies given for certain topics.

These might be monetary awards, gift certificates, products and lots more!!

If you are interested in sponsoring a special award, know someone who is, or just want more information; please contact Cyllinda and Charlie Barron at

lomboyetscifair@bellsouth.net or 985-290-7900.

Our students who place at the Little Oak/Boyet Science Fair consistently continue to perform well at the Regional and State Fairs. Over the last few years, projects from Little Oak have placed at the State Fair and other Boyet students received special awards at State. Many other Little Oak and Boyet students placed at the Regional Fair and went on to participate in the State Fair. We hope to have lots of young scientists participate again this year.

Parents: This is a PTA event and we need your help, especially on fair day—we need judges and other helpers.

Watch for more information in the school newsletter and on the PTA websites.
