ALL car riders must adhere to the carline route. Follow the one-way route beginning on Stone Street. Turn **RIGHT** on Rebel Drive and drive through the Boyet faculty parking lot. Go through the gate and follow the gravel drive. Once in front of Boyet's gym, proceed through the parking lot and turn **RIGHT** before Little Oak's gate. A duty person will be positioned at the gate. Once our bus routes are complete, cars will begin to flow through the front of Little Oak. Upon completion of parking lot construction, the carline will begin exiting on Stone Street and will no longer be going past the front of Little Oak.
