

# The Joy of Giving

**Yes, it's early, but we wanted to give you this information before shopping season...**

**Little Oak will be hosting a Toy Drive in Memory of Adelyn Grace, who passed away September 11, 2014. All donations will be delivered to Children's Hospital by Adelyn's parents. Please keep this in mind while you are shopping this season. If you would like to participate, we will be collecting toys, games, DVDs, puzzles, art supplies or other items for children of all ages who unfortunately will have to spend this Christmas in the hospital.**
